RE: "Rate of Consent for Tissue Donation in an institution with ER & ICU Nurses trained as Designated Requestors" Study Part I

Dear Ms. Savkov:

The project entitled "Rate of Consent for Tissue Donation in an institution with ER & ICU Nurses trained as Designated Requestors" Study Part I has been approved by the Institutional Review Board of the Jersey City Medical Center on April 21, 2010 in accordance with assurance to the Department of Health and Human Services Office of Human Research Protections. This project is approved from April, 2010 to April, 2011.

The IRB would like to be advised of your progress. There is no need for you to attend the meeting. However, a written progress report would be appreciated.

Best wishes for success in this study.

Sincerely,

Kirk McMurtry
