Good Morning Kim,

This is Erin Lucas, although I am still on orientation I just wanted to e-mail you about a few dates. I know I am on the bottom of the seniority list but figured I would give it a shot! I had e-mailed Michelle Lopez when I was hired about two weddings I have in September.

Labor Day Weekend- Saturday August 31- Monday September 2nd
Friday-Saturday September 6th & 7th.

I'm more than happy to work an extra weekend or any shift needed to make these requests easier.

Since I am new, I was hoping you could advise me how to pursue my winter & summer vacation requests.

Thanks so much for your time & hope to hear from you soon!

Erin

Kim,

Vacation request for Summer 2013 (part time employee).

1. Aug 25-31
2. June 30-July 6 (depending on charge sched)

I have not heard what the plan is for charge scheduling for summer. In the past we have made the schedule between the charges, but if that is not the case this year, my requests are above.

Thanks,

Tara Ryan
