Internal Announcements

Celebrate **Cinco** De Mayo in Jersey City on Friday, May 7! March in the Grove Street parade honoring JCMC's own Christie Wade, RN!

Celebrate **Cinco** De Mayo in Jersey City on Friday, May 7th at 4 PM by marching in a fun-filled parade on Grove Street (across from City Hall). Christine Wade, RN, Nurse Manager of the JCMC Emergency Department, is a special honoree of this annual **Cinco** de Mayo Festival 2010.

The parade starts on Grove Street at Grand Street and ends one block away at Bar Majestic, where the music, food and fun will go on until midnight. Christie Wade will be honored for her outstanding contributions to nursing both here at LibertyHealth and during international crises like the recent earthquake in Haiti. What a fitting honor to have one of our nurses selected during National Nurses Week!

Let's show all of Jersey City strong support from Jersey City Medical Center, Hudson County's premiere medical facility! If your schedule permits, all are invited to take part in this fun event and march with Christie.

If you need additional information please contact Maureen Corrado - 2305

Let's Celebrate Nursing!
