Hi Cris,

We received confirmation that there will be a paper/pencil exam for CEN, CFRN, CTRN at the Jersey Medical Center on July 29, 2012 at 11:00am.

Please have at least 14 exam applications into the BCEN office by July 3, 2012 for the July 29, 2012 test date. Attached is the customized application that you can provide to your group for completion. Please have the applicants submit their application to you to send in a bulk mailing to my attention via trackable mail.

If a person submits their application separate from the group they must include a note for proper test placement. If they do not include a note with their application they will be processed for regular testing and there is a switching fee of \$25.00.

Please reserve a room that will accommodate double the capacity of test takers so that there is a space in between each person.

Please let me know if you have any questions or concerns.

Thank You,

*Naomi Savino*
