RE: The Quality of Life Among Dialysis Patients

Principal Investigator: Isabelita Pitao & Venerando Gelicame

Dear Ms. Pitao and Mr. Gelicame:

The Quality of Life Among Dialysis Patients Project was approved by the Institutional Review Board of the Jersey City Medical Center on July 14, 2011 in accordance with assurance to the Department of Health and Human Services Office of Human Research Protections. This project is approved from July 2011 to July 2012.

The IRB would like to be advised of your progress. There is no need for you to attend the meeting. However, a written progress report would be appreciated.

Best wishes for success in this study.

Sincerely,

Kirk McMurtry
