

## **EMR Clinical Decision Committee**

**August 20, 2012**

**11a-12n**

**Attendees:** Colleen Masterson (Education); Maribel Labutong (6E); Cristina Simeone (Critical Care); Ebony Samuel (Education); Ingrid Cardenas (6E); Winnie Cherubin (Clinical Informatics); Rafael Portales (Clinical Informatics); Elenita Ajose (6W); Louie Torres (6E); Jaymie Cavero (CSD); Vikki Ebanks (OR); Jinky Vo (7W)

### **1. Rational for committee**

- Interdisciplinary participation to coordinate and sustain content for the EMR
- Help make decisions regarding Clinical Documentation

### **2. Standardized form**

- Presented EMR Clinical Decision Committee/Report Change Request Form
  - Feedback received reworked and attached
    - Added Orders under the Type of Request
    - Defined: "What is your desired outcome for this request"

### **3. Current Issue: Admission Assessments: Compliance Issue**

- Any requesting of bed for admission from an elective/SDS procedure needs to utilize the electronic admission database format: *Follow up at next week's meeting for clarification*
- Alerts at 2hr and 24hr.: *Is it necessary for another alert at potentially 8hr?*
- Staff has the ability to update record up to 48hrs.
- Admission policy: *Colleen wil follow up next week?*

### **4. Open Forum:**

- Fall Assessment Rebuild: *Update to be given next week*
- Discharge Instruction: *Winnie to follow up?*

Next Meeting Wednesday 8/29/12 10a-11a Conference Room 5
