AGENDA	DISCUSSION	ACTION/FOLLOW UP/RESPONSIBLE PARTY
Minutes	<ul style="list-style-type: none"> Reviewed and approved 	<ul style="list-style-type: none"> Ongoing
Patient Safety 	<ul style="list-style-type: none"> C. Simeone spoke about the Pressure inject able Kit Tray with the inject able pressure feature. There have been issues with the blades where employees have been getting stuck and lacerations with the blade. Nursing Management of invasive venous and arterial hemodynamic monitoring lines (was sent out May 12th by C. Garzon via email) Nursing hand off plan of care form may change the title to Interdisciplinary plan of care. Sheet is modified and will be part of the patient medical record and will be filled out on every shift. Form is not hospital wide.(handoff is JACHO required) Committee needs to establish a time frame for readmits. Claudia went into each case individually for the Month of May excluding scheduled procedures and stepdown were 149 total admissions 12 unplanned readmits . 	<p>C.Simeone and the Clinical RN educators are looking into other kits that are safe (looked in Arrow company). Will leave it up to purchasing to look at other vendors.</p> <p>Waiting on policy approval by Dr. Abed</p> <p>Suggestions made for revisions.</p>
Clinical Quality 	<p>Tracking CDIFF (Vickie) On the next meeting she will bring a tally of the of the score card with the month with Mays numbers. There hasn't been and</p>	

	<p>increase in the number of CDIFF.</p> <ul style="list-style-type: none"> •Scorecard: Key performance indicators presented by C. Garzon-Rivera. Key Performance. BSI is zero & UTI is zero. For month of April. Rapid responses are at a zero again. 	
<p>Satisfaction</p> 		
<p>Economic Health</p> 		
<p>IIX. Next Meeting:</p>	<p>July 13th, 2011 August 10th, 2011 Every 2nd Tuesday of the Month Conference Room 5</p>
