

Nurse Residency Program
Role of the Mentor

1. Communicate/meet once a week with assigned Nurse Resident.
2. Review and discuss their journal entries at time of weekly meeting
(journal guideline provided for Nurse Resident to follow).
3. Offer guidance and support on concerns they may have.
4. Discuss their experiences as a Nurse Resident thus far.
 - a. Inquire difficulties they may have with skills and offer support
and direction to finding resolutions and acquiring sufficient
resources or opportunities.
 - b. Highlight accomplishments and offer positive feedback.
