Internal Announcements

Articles and pictures about Donor Wall of Heroes Ceremonies (8/19/10) at JCMC from Jersey Journal and NJ.Com

The new Wall of Heroes at Jersey City Medical Center was dedicated on Wednesday, August 18, 2010 with a ceremony attended by 200 guests. The wall honors JCMC patients who have given the gift of life to others through organ and tissue donation. This is the first tribute wall of its kind in a New Jersey hospital.

The Wall of Heroes is a collaborative effort between Jersey City Medical Center and the NJ Sharing Network. The idea for the wall was initiated by the JCMC Donor Council, which includes Zadith Colon, NJ Sharing Network, Dr. Susan Kaiser, Nancy Pain, Pam Saporita, Christina Simeone, Jessica Walsh, Mabel Laforgia, Claudia Garzon-Rivera, Nicole Sardinias, Cindy Clougher, and Jennifer Jones. The Wall was then designed and implemented by the Wall of Heroes Committee, which included Christine Pangilinan, Assistant Nurse Manager, ICU, Tammy Pfeifle, Director, Volunteer Services, Zadith Colon, NJ Sharing Network, and Mary Ellen McGlynn, NJ Sharing Network.
