Dear Ms. Sacov,

PR#11-031 "Rate of Consent for Tissue Donation in an Institution with Emergency Room and ICU Nurses Trained as Designated Requestors." Protocol and Bereavement Support Brochure. Previously **PR#10-021** which lapsed in renewal. Approved through expedited review June 13, 2011 by Patrick V. Perin MD.

I have examined your study mentioned above along with its accompanying documents requested for expedited review and have determined that your study meets the conditions for approval through expedited review under 45 CFR 46 and 21 CFR 50, 56. Approval is granted.

As you know, the IRB is also responsible for monitoring the conduct of your project. This approval will be **TERMINATED** on June 13, 2012. Any project classified as **TERMINATED –ALL ACTIVITY MUST CEASE**. To that end, if it is your intention to continue this project beyond its approval date we require a written report approximately 1 month prior to its **TERMINATION** date requesting its continuation. In addition, any circumstances, positive or negative of such importance as to warrant the immediate attention of the Board, **MUST** be reported immediately. Should this study be completed, please submit a closure letter along with any findings to the IRB.

Thank you for presenting this study for expedited review and I hope that your efforts in the proposed area of research you are conducting is fruitful and rewarding.

Yours truly,

Patrick V. Perin, MD
Chairman, Institutional Review Board
